CHEVRON PATTERN

Valencia Hardwoods
FINE FLOORING

FEATURES & SPECIFICATIONS

COLOR: CHEVRONS

This color is achieved using complex multi-step reactive stains which naturally change the color of the tannins in the wood. Color variation is purposeful.

SPECIES: EUROPEAN WHITE OAK or DOMESTIC PECAN / HICKORY

Europe is known for its responsible selective forestry practices. The region where this wood originates produces highly sought after oak known for its tight grain and high tannin content.

GRADE: RUSTIC or PRIME (your choice)

Prime will be subject to price and availability, ask for more details.

THICKNESS: 9/16" (12 Pieces per box)

WIDTH: 4.75"

LENGTH: 30-5/16"

FINISH: NATURAL OIL

LEAD TIME: These products are made to order, Available in any Floor Art color. (10-12 week production and shipping time, 50% deposit is due up front for all custom orders.)

CONSTRUCTION

3-layer engineered construction, lab balanced for industry leading stability in all environments.

The Hevea hardwood core is a "re-use" material saving resources while also being a highly stable species.

- GLUE DOWN, NAIL OR FLOAT
- GUARANTEED OVER HYDRONIC HEAT
- INSTALL ABOVE OR BELOW GRADE

RESIDENTIAL WARRANTY
